Vigran – Preferred Qualified System Integrators Central & East European Market

Sir/Madam:

HIMA Paul Hildebrandt GmbH + Co KG manufactures and develops safety critical controls and systems for ESD, F&G, HIPPS and BMS applications worldwide.

HIMA herewith confirms that Vigran located in Poland is one of our main Qualified System Integrators for development of the Central & East European market. Vigran employed engineers have provided a number of ESD, F&G and BMS integration applications with HIMA equipment and have established a close working relationship with us working together closely on sophisticated Automation and Control Systems projects.

As one of our Qualified System Integrators for development of the Central & East European market, HIMA Paul Hildebrandt GmbH + Co KG/ provides full technical support combined with up to date product training to Vigran on a regular basis.

Best Regards,

Jon Lee
Sales Director
